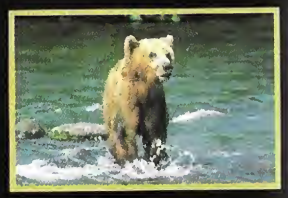
THE SURVIVAL COLLECTION

AWARD WINNING PROGRAMMES

ISLANDS OF THE BEARS



Brown bears are still common in some parts of coastal Alaska, where this film was made. Survival follows the seasonal cycle of activity of this large omnivorous mammal. The film contains spectacular sequences of bears fishing for salmon during the summer months.

Filmed by Joel Bennett.
Produced by Colin Willock.

IN GRIZZLY COUNTRY

"In Grizzly Country" examines the life of Alaska's giant bears in relation to the people who share their territory - hunters, goldminers and wanderers.

Filmed by Joel Bennett.
Produced by Malcolm Penny

WINTER AT THE CROSSROADS

It is often thought that the Cheetah is native only to Africa and that the Brown Bear is exclusive to North America. There is however a country in Asia where the two have lived alongside each other in the wild. Survival explores this most extraordinary relationship and monitors how they cope with a bitter winter.

Filmed by John Buxton
Produced by Colin Willock.
